Short Courses Guide

Library Access

You are able to access our resources in the library, however Standard Short Courses (10 weeks or less) do not have library membership and borrowing rights.

IT Access

To connect to the wifi and log into a UAL computer, you will need to set up your UAL network account password. **You do not have to create a guest account.** Follow the steps below to set up your account:

Step 1

Your username is your UAL student ID number, for example: AE_1000003238

Step 2

To request a password follow the link you received by email and enter your UAL student ID.

Step 3

After you have completed this, you will be sent an email containing a single-use link to UAL Password Self Service. Click on the single-use link and follow the instructions to create a password.

Short Course Password Reset

Printing

You do not need to create a guest account - use your provided credentials.

Under 18s learners do not get cards so will need to enter the information into the printer manually in order to print. All other learners should be able to touch their cards to the RFID to print, but if this doesn't work you can manually in-put info.

Top up your print credit here:

https://artsprint.arts.ac.uk/

Print costs:

A3 Mono = **8p** A3 Colour = **24p** A4 Mono = **4p** A4 Colour = **15p**

How to print from the open access computers:

- 1. Go to file > Print > Select printer (UAL artscolour/artsmono)
- Check the paper size (A4/A3) and document settings 2.
- 3. **Click** print
- Tap your card on the printer MFD reader or input your credentials 4. manually
- **Release** print 5.

Refunds cannot be issued for any unused credit on your account after leaving. Only purchase the amount needed for your work.

Printing From Your Own Device

Web Print

Allows you to print from an internet browser on your own device.

- 1. Log in to https://artsprint.arts.ac.uk/
- 2. On the left hand side click on Web Print
- 3. Click on **Submit a Job** then select the right setting for you
- 4. Upload the document and click print
- 5. Log into the printer manually to release the print job

Mobility Print

Mobility Print allows you to install full printing driver options on your own device. Once downloaded, you'll be able to select UAL printers from your phone or laptop's printing options.
